DISCUSS

What does Jesus mean by "fishers of men?"

What does Jesus mean by "follow me?"

The men immediately follow Jesus why is this important?

Two men leave their father. How might this affect them?

What do we learn about Jesus based on who he calls to follow him?

How would you respond to Jesus' call?

What are the things you need to give up to follow Jesus?

REFLECT

Jesus chose to call people who you would least expect. He chose to call fishermen instead of people with more education or social standing. What might this mean for you? What does this say about Jesus? What might this mean as you teach others about Jesus?
